

REY use photographic evidence of children's play in a variety of different ways such as displays, photo albums, Bristol Standard quality improvement framework. (Please ask if you require more information) Please note that we do not identify or name any child in any display whether on the website/facebook or publicity document.

\*I/we give permission for the staff to take photos of my child at play.

## Combined Parental Permission

Your parental consent for any item can be withdrawn at any time provided it is in writing.

Child's name:

Dear Parent's/carers

At Rainbow Early Years (REY) we endeavour to keep the environment our children play in as safe as possible. We are also aware that all children have accidents and we need your permission to administer First Aid as necessary.

All of our staff are appropriately trained and hold current First Aid for Childcarers certificates (updated every 3 years).

An accident log is kept securely and is filled in for any occurrences. You will be informed as soon as is practically possible and a parent/carer is required to sign each entry.

\*I/we \_\_\_\_\_ (full name) \*agree/do not agree that First Aid may be administered on my child as and when necessary. If the situation is more serious, and I am unavailable, I agree that a staff member may accompany my child to hospital and assume a parental role until my arrival.

At REY we have a comprehensive set of Policy Documents covering all aspects of life with us. It is important that everyone who comes into our group has knowledge of this document and agrees to abide by all that is laid down in it.

A copy of the full Policy Document is kept in the foyer for everyone to refer to as required.

\*I am/we are aware of the REY Policy Document. \*I/we agree with and will abide by these policies whilst my child attends the group, with the understanding that if \*I/we do not, my child's place may be at risk.

From time to time we will take a group of children out of the School grounds for a short 'observation' walk using the local environment e.g. to the local Post Office. This will always be with the ratio of 1 adult for every 2 children and at these times the staff will carry a mobile phone.

\*I/we do/do not give permission for the staff to take my child out on short walks in the local area.

You may be aware that whilst your child is attending REY we plan their learning through the 'Early Years Foundation Stage'. The Staff will observe your child and keep records of their progress, through an Interactive Learning Diary (ILD) an online record keeping system. Once registered you can log onto anytime, as all of our assessment documents are ongoing, we pass them on to your child's next setting when they leave. We welcome your contributions to your child's 'ILD' at any time.

\*I/we do/do not give permission for record and assessment keeping for my child.

\*I/we do/do not give permission for documents to be passed on to my child's next setting.

\*I/we do/do not have access to the internet (Please delete as necessary).

If your child attends another setting (Nursery or Pre-school) or childminder's do you give us permission to allow them to view your child's

ILD online system through the use of a separate secure log in and password.

\*I/we do/do not give permission for another setting or childminder's to view my child's ILD online system.
