

Rainbow Early Years

Policy for Early Years Pupil Premium (EYPP)

Statement of intent

It is our intention to respect the privacy of all our children and their parents and carers at Rainbow Early Years (REY), while ensuring that they access high quality care and education.

Aim

All providers delivering funded early education places for 3 and 4 year olds will be eligible to apply for the EYPP for each eligible child who meets the Criteria. This funding will be used to support the child/ren once specific needs have been identified.

Methods

- Parents will sign the Parent declaration form from Wiltshire Council (W.C) to agree to the funding.
- The Manager and Office Administrator will research which children and families are eligible for the EYPP funding.
- When these children have been identified the child's specific needs will be discussed with the Manager and Keyperson a plan will be created.
- Support that may be put into place could include:
 - Buying in other professional services such as speech and language support, Play Therapy, Sports coaching.
 - Training for staff to support a child/ren.
 - Purchasing resources specific to children's needs for the setting.

- Providing a hot lunch from the school kitchen.
- Setting up 'nurture groups' therefore allocating staff time/extra hours.
- Providing resources for children's personal needs such as an outdoor coat or all in one suit.
- Purchase of resources to support children in their home learning environment, such as story bags, books, tablet computer.
- Planning an outing to follow children's interests e.g. animals, so invite a small animal zoo keeper in to the setting.
- In some cases, it can be used to support the family pay for another session in the setting.

This individual policy forms part of a larger policy document and should be read alongside our other individual policies.
