

Dear Parents

Settling in sessions

On your first few weeks of joining us we would like you to spend some time with your child's Keyperson to share information and get to know each other.

Can you please speak to your child's allocated Keyperson to book some time together please and put in the diary.

We would like you to stay with your child for their first session please to settle them in.

On their second session we hope you could stay for the initial part of the sessions such as song time and then leave your child in our care.

We hope that this will enable us to get to know our families and build a trusting, open relationship from the onset.

We all look forward to working in partnership with you from September.

Jo Clarke and team.
